

Fill-in Beauty of Creation Prayer

Created by the Rev. Dr. Fran Bogle, MBA Just Peace Coordinator

This prayer can be used as part of a children's sermon. You can use the prayer the young people create at other times during the church year.

Ruah, spirit of life, we thank you for the beauty and joy of creation. Our world is filled with so many special places and amazing natural wonders.

We remember _____ and _____ and _____

(Favorite places to visit).

We are grateful for the beach where we _____

(Things we see or do at the beach)

And for the mountains where we _____

(Things we like to do in the mountains)

We are thankful for _____ (favorite birds) and

_____ (favorite animals) and _____

(Favorite flowers).

Our world is a vast and wondrous place. Help us find way to protect

(Whatever needs protecting in our world) so that all of creation can flourish.

May we always choose to protect and cherish all of creation so that the beauty of the earth, the splendor of the skies and the love we share with you and the entire world may live on forever. Amen
