

## **A Litany of Remembering 2007**

Rev. Dr. Fran Bogle MBA Just Peace Coordinator

Leader: Today we remember all of the men and women who have served in the military.

**All: We remember their love for our country and for us.**

Leader: We will never forget their sacrifices and dedication.

**All: We give thanks for their uncounted acts of heroism during times of war and violence.**

Leader: We give thanks for all people of courage and commitment who have aided our country and the world.

**All: With sadness we remember all who have died serving our country.**

Leader: We miss them every day.

**All: We also give thanks and pray for all who have been wounded and survived, and for their families as they remake their lives together.**

Leader: Holy God, we pray that You will help us make this world a place where war is no longer a reality, where differences are accepted and respected, and peace and love reign in Your name.

**All: Help us be peacemakers and healers so that we will no longer need to send our sons and daughters, Your beloved children, to war. This we pray in the name your son Jesus, the Prince of Peace. Amen**
